Development Opportunity: Michigan Performance Assessment Cadre of Experts (MiPAC) – Cohort III

Join the Office of Educational Assessment and Accountability as we work with the Michigan Assessment Consortium to develop performance assessments aligned to Michigan’s model competencies in mathematics and English language arts (ELA) in grades 3-8.

Preferred candidates for the Performance Assessment Cadre of Experts:

- have experience teaching in mathematics or ELA in at least one of these grade spans: grades 3-5, and grades 6-8
- have experience teaching to Michigan’s mathematics and ELA academic content standards
- have interest in participating in the development of performance assessments

Participating in this project, you will have opportunities to:

- learn about the Michigan model competencies for mathematics and ELA
- develop performance assessments and rubrics
- collaborate with colleagues from across the state
- practice calibrating the scoring of performance assessments
- participate in a research agenda focused on measuring student competencies through performance assessments
- earn up to 50 SCECH credits; stipends will also be available based on time and completed products

Participants are expected to attend and contribute approximately 50 hours of job-embedded facilitated professional learning and assessment development over the 2022-23 academic year. Approximately eight or nine 2-hour virtual sessions (after school) to support the design process are expected to be scheduled from October 2022 through June 2023. Participants will work in grade-level teams with colleagues. Team leads will host three or four virtual meetings throughout the year, to keep the item development momentum going and production flowing.

If you are interested in participating, please submit your resume in an email to mde-oeaa@michigan.gov, using the subject line “Performance Assessment Cadre of Experts” by **May 30, 2022**.
